Ehehe, I'm so happy!
Reika-chan came over to play with me!
I'm not intruding, am I?
Of course not! My parents are out tonight.
So I was feeling a little lonely.
Erm... I'm sure it was here somewhere...
!
Something the matter, Reika-chan?
I-It's nothing...

Let's read it together, Reika-chan!
?
Ah! Here it is! This book is my favorite!

I don't mind, but...
Miyuki-san...
Do you mind if I tried something a little different today?

It's just.. too late to do anything about it...
